

nVent CADDY Wire Basket Tray Clip

Features Guide

The nVent CADDY KBT Wire Basket Tray Clip is an easy-to-install time-saving solution for securely attaching wire basket tray to strut. Simply place the basket tray on top of the strut, position the KBT Tray Clip over the tray at the desired position, squeeze and slide it in place to finish the connection - it's that simple.

nVent CADDY Performance Cable Tray

The nVent CADDY WBT Performance Cable Tray is a continuous pathway solution to support high-performance cabling systems while providing an ideal foundation for datacom and electrical contractors.

- No sharp edges ensure installer protection
- Cuts, configures and splices

Shaped Tray

- 400% increase in cabling support
- Up to 65% reduction in cabling pressure/strain

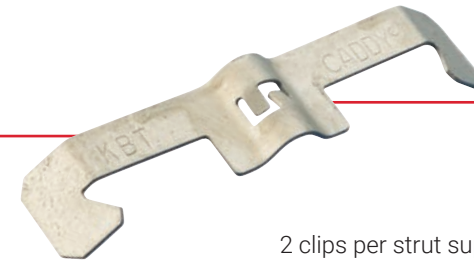

Round Tray

- Most commonly used industry profile

For Wire Sizes:

3/16" - 5/16"

Clip Ratio Usage:

- 2 clips per strut support for trays up to 12"
- 3 clips per strut support for trays up to 18"

*Add one clip per strut support for each additional 6"

Work Smarter on the job:
